I'm not sure if Charlie already got his AICE score or not, but I wanted to let you know personally that he passed. I also wanted to give you some details on his score. Charlie was one of only 6 students that passed (out of 48). Not only that, he achieved the highest score of those 6. I just wanted to take the time to tell you how much I appreciate Charlie's effort and performance in my class and especially on the test. I'm sure you already know this, but I just want to reiterate to you how much of a pleasure it was to have Charlie in class. In 13 years of teaching he is by far one of the brightest, kindest and hardest working students I have ever encountered. I wish him luck in the future, but I am sure he does not need it.
